

PRE-ANESTHESIA CHECKLIST

1 Schedule a Preoperative Appointment

- **WHO:** Schedule your preoperative appointment with your primary physician or pediatrician.
- **WHEN:** Schedule at least one week prior to your dental appointment.
- **WHAT TO REQUEST:** Inform your physician or pediatrician that you have been asked to schedule a preoperative for anesthesia by your dental anesthesiologist.
- **WHERE TO SEND:** Have your physician fax a copy of the exam report to (651) 756-7114.

SPECIALIST NOTE: If you or your child sees a medical specialist, we may need to receive clearance from the specialist to proceed with anesthesia.

2 Complete Your Online Information Packet

A link to our online health information portal will be texted and emailed to you. This link may also be found on our website:

3 Expect a 15–20 Minute Phone Call

A nurse will contact you within 2 weeks of your scheduled dental appointment to review the following:

- Your medical history
- What to expect the day of the appointment
- Any questions you have for yourself or your child
- Cost and payment of anesthesia services

4 Prep for a Successful Procedure

NIGHT BEFORE PREP

- No solid food after midnight. This includes all solid food, as well as all milk products.
- Water ONLY is allowed up until 3 hours prior to arrival time.

DAY OF PREP

- Wear 2-piece clothing that is loose-fitting and preferably short sleeves.
- Bring a blanket to keep warm during the procedure.
- A responsible adult must accompany you to the appointment. That person must stay at the office for the duration of the procedure and stay with you for a minimum of 6 hours after the procedure is complete.

NOTES FOR CHILDREN

- Do not dress children in a romper, dress, footed leggings, or footed pajamas.
- Bring a favorite toy or stuffed animal.

5 Select Your Preferred Payment Method

Payment for the anesthesia services is required the day of the appointment, prior to the commencement of anesthesia. We accept the following forms of payment:

Personal checks are not accepted.

PAYMENT NOTES

- Most insurance plans do not cover anesthesia for dental procedures, but we recommend reviewing coverage with your insurance company.
- If electing to use CareCredit, you must apply prior to the appointment. Go to www.carecredit.com to learn more and apply.
